

INVITATION

ADDED VALUE SERVICE MARATHON

AEROSPACE, ENERGY AND CREATIVE
INDUSTRIES AS CATALYST FOR
BIOTECHNOLOGY, ICT AND MEDICAL DEVICES
FOR HEALTH INNOVATION

We are pleased to invite you to "CROSS4HEALTH Marathon of R+D+i projects"

An event to present **cutting-edge projects in Health Technology** organized by CROSS4HEALTH, an initiative funded by the European Commission within the framework of the European R & D & I Program, **Horizon 2020**.

Tuesday, May 14

13:00-13:30 - Registration

13:30-17:30 - Event

17:30-19:00 - Cocktail

Venue

Clarion Hotel & Congress Malmö Life

Dag Hammarskjölds torg 4

Malmö

Deadline for registration: Wednesday, May 8

During the event there will be a **round of demonstrations of technologies** selected by an expert jury. These are projects that come from all over Europe, and that are willing to show their products to potential users, investors or collaborators.

After a brief presentation of each project and during the demos you can interact directly with the teams, solve doubts, meet each other, etc. It will conclude with a Cocktail during which you may advance in possible collaborations.

The event is free, and all attendees have been directly invited given its role around innovation in the Health sector.

We would be delighted to be able to count on your participation. If possible, please confirm by writing to the address: projects@biotecyl.com

We are also at your disposal if you have any question or we can help you in some way.

Greetings,

Cross4Health Team
